

## **COST OF ATTENDANCE – Graduate**

We are here to help you understand your estimated total cost of attending college, which is also the information your financial aid eligibility is based on. There are different factors that help determine “Cost of Attendance” which can include the program you are in.

**Direct Costs** – Costs billed directly by UMF, such as Tuition and Fees and on-campus housing and food.

**Indirect Costs** - Costs associated with attending college, but not billed by the University, such as books, travel costs, miscellaneous expenses, and off-campus housing and food.

*Please note that annual cost of attendance figures are based on estimated averages and are not indicative of exact charges reflected on your actual UMF bill. The COA is used primarily for financial aid purposes in establishing eligibility for financial aid.*

### **Master of Science**

|   | <b>In-State/Out-of-State (3 credits)</b> |
|---|--|
| <b>Expenses</b>                                 | <b>2023-2024</b>                         |
| Tuition/Fees                                    | \$ 2,894.00                              |
| Living Expenses (food and housing)              | \$ 9,702.00                              |
| Books, Course materials, Supplies and Equipment | \$ 192.00                                |
| Transportation                                  | \$ 906.00                                |
| Miscellaneous                                   | \$ 2,538.00                              |
| Loan Fees                                       | \$ 140.00                                |
| <b>Total</b>                                    | <b>\$16,372.00</b>                       |

### **Master of Arts (Counseling Psychology)**

|                                    | <b>In-State/Out-of-State (15 credits)</b> |
|------------------------------------|---|
| <b>Expenses</b>                    | <b>2023-2024</b>                          |
| Tuition/Fees                       | \$14,472.00                               |
| Living Expenses (food and housing) | \$ 9,702.00                               |

|   |                    |
|---|--------------------|
| Books, Course materials, Supplies and Equipment | \$ 960.00          |
| Transportation                                  | \$ 906.00          |
